

Whisco Food Service Solutions 2020 Janitorial and Sanitation Guide

Whisco Food Service Solutions

Locally owned and operated, Whisco is your best local solution for food service and sanitation cleaning needs. Centrally located on Fredericton's northside, Whisco serves the greater Fredericton and Upper Saint John River Valley, offering quality products and a knowledgeable staff ready to assist you. We back up those products with service that is second to none!

Don't Settle for Second Best!

When it comes to cleaning, you don't want to be just ok. Whisco offers Buckeye Food Service products, which promotes a sanitary environment with effective products and procedures for your food service area. Our food service products will keep your kitchen clean, sanitary, and contaminant-free for a healthier environment.

Whisco is your local Jan/San Specialist!

From brooms and mops to paper supplies and garbage bags, Whisco has you covered. We have commercial grade products for commercial grade solutions. We stock a large selection for all your cleaning needs, large or small, and if we don't have it, we'll find it for you. Get what you need when you need it.

Free Delivery in the Greater Fredericton Area!

We deliver daily and can often meet same-day delivery requirements. No more waiting for supplies – get it when you need it! Our friendly, expert staff will come to meet you in your establishment to discuss your needs and follow up to ensure your needs are met.

Competitive Pricing and Excellent Service!

We know, more than ever, that every dollar counts. Our focus is on providing quality products and excellent service at a price you can afford. Give us a call and we'll show you how Whisco can help with your food service janitorial and sanitation requirements today!

Manual and Automatic Dishwashing

You want your dishes and glassware to shine, and Whisco's dishwashing products make that happen. We have manual, automatic, and rinsing dishwashing options that will cover all of the bases.

Dysh

- Concentrated, biodegradable, liquid detergent
- Designed for hand washing of dishes, glassware, pots, pans and silverware
- Excellent wetting effects, save times and effort
- Instant acting suds cut stubborn soil faster
- Glasses and dishes dry spotlessly clean, with or without wiping

3.8L
18.9L

- Concentrated liquid descaler
- Designed for restaurant, commercial and industrial equipment
- Eliminates lime, scale, rust and carbon build-up
- Restores the appearance of stainless steel, glass
- Food grade, CFIA approved

4L

Sanitizer and Bleach, and Food Equipment Cleaning

As a food service establishment, a clean and sterile environment is essential to the success of your business and your customers. Use of a concentrated quaternary sanitizer (quat) and disinfectant developed for your food contact and non-food contact surfaces is the best defense against germs, bacteria, fungi, and unpleasant odors.

Sani-Q

- Concentrated quat sanitizer/disinfectant developed for food and non-food contact
- Use Sani-Q2 in restaurants, bars, hospitals, day care centers, schools, bathrooms
- Great in kitchens, food preparation areas and athletic facilities
- Use on washable hard, nonporous surfaces of bathroom fixtures, cabinets, counters, floors, highchairs, and tables
- Designed for beverage dispensing equipment, dishes and kitchen equipment

3.8L

FoodMaster

- Heavy-duty cleaner/degreaser
- Removes soils from food plant processing surfaces such as countertops, saws, grinders, baking pans, grills, and ovens
- May also be used to clean walls, floors and fixtures, and it may be used with multiple application methods
- Non-corrosive, no coloring/No dyes
- Meets the strictest food service codes
- Safer for the environment/employees, does not contain butyl or petroleum solvents
- Versatile - may be applied by mopping, spraying, auto scrubbing, immersion, pressure washing, etc.

3.78L
18.9L

Liberate

- Foaming, heavy-duty cleaner/degreaser
- Clings to vertical surfaces, cuts through/dissolves oils, fats, grease, grime, soap scum
- Use on floors, walls, cutting tables and processing equipment

3.78L
18.9L

ParQuat

- Virucidal disinfectant-sanitizer
- Specifically designed as a disinfectant
- Controls bacteria that can remain even after regular cleaning
- For use in food factories, dairies, creameries, restaurants, bathrooms and all approved food processing establishments

4L

U-974

- Powerful degreasing and disinfecting power
- Accredited by Canadian Food Inspection Agency (CFIA)
- Excellent for food preparation and processing establishments
- Stops bacteria caused by humidity and mold

4L

Comet with Bleach

- Excellent general purpose cleaner for all non-porous surfaces
